CL. 93.—Royal Warrant—Soldier Assistants in Army Schools.

VICTORIA R.

Whereas we deem it expedient to amend that portion of Paragraph II., Article 20, of our Warrant of the 30th August, 1871, in which it is provided that the number of soldier assistants appointed to Army schools shall be regulated by the average monthly attendance at such schools :

Our will and pleasure is that from the date of this Warrant the number of soldier assistants to be employed in Army schools shall be calculated according to the average daily attendance of pupils in the adult and grown children's schools during the week for which the extra-duty pay is claimed.

Given at our Court at Balmoral, this 18th day of June, 1874, in the 37th year of our reign.

By Her Majesty's command,
GATHORNE HARDY.

Secretary of State's Instruction on the foregoing Warrant.

The charge in the pay lists for the extra-duty pay issued weekly to soldier assistants in Army schools must be supported by certificates that the men have been actually employed on such duties. The certificates must also specify the average daily attendance of pupils in the adult and grown children's schools during the week.

ARMY CIRCULARS—continued.**CL. 94.—Royal Warrant—Retired Pay of Adjutants of Volunteers.****VICTORIA R.**

Whereas we deem it expedient in certain respects to amend our Warrant of the 19th June, 1860, granting retired pay under certain conditions to adjutants of Artillery and Rifle Volunteers:

Our will and pleasure is that the provisions of our said Warrant shall be applicable to all arms of the Volunteer Force serving under the "Volunteer Act, 1863," and any acts by which such act has been or shall hereafter be amended; but shall not be applicable to any adjutants of Volunteers appointed for a term of five years only.

Given at our Court at Windsor, this 25th day of June, 1874, in the 38th year of our reign.

By Her Majesty's command,
GATHORNE HARDY.

CL. 95.—Postage and Stationery Allowance for Sub-Districts.

1. An allowance at the rate of 1*l.* for each company per annum, in addition to the sums specified in paragraph 10, Clause 45, Army Circulars, 1874, will be given at each formed brigade dépôt to meet the expense necessarily incurred for postage and stationery for purposes connected with the sub-district. This allowance will be subject to reconsideration at the end of the current financial year.

2. Stationery will not be issued in kind nor charges for postage allowed in those sub-districts in which the brigade dépôt is in receipt of the money allowance above referred to.

CL. 96.—Medical Attendance.

1. The attention of officers and others concerned is directed to Section XIII. of the Army Medical Regulations, 1859, under which medical attendance at the public expense can only be granted to officers of the Army, and members of the Military and Civil Departments of the Army, their wives and families, at stations where there is an officer of the Army Medical Department, or a private medical practitioner in attendance on non-commissioned officers and men, and provided that in every instance where this is the case officers and others, who desire to be so attended, reside within the radius of a mile from the principal Army dispensary at the station.

2. In the event of there being no Army medical officer or Army dispensary, the officer commanding will make the best arrangement he can with a civil medical practitioner for attendance, at the contract rate (*see* Article 360, Royal Warrant, 27th December, 1870), on the non-commissioned officers and men and such other persons at the station as may be allowed medical attendance at the public expense.

3. No private claims for reimbursement on account of the attendance of medical men employed by officers of the Army, or by members of the civil and military departments of the Army will be entertained under any circumstances.

4. Medical aid to all branches of the military service will continue to be governed by the Army Medical Regulations quoted above.

5. War Office Circular 778 is hereby cancelled.

CL. 97.—First Appointments to the Supply and Transport Sub-Department.

Subalterns of Militia who apply, under paragraph 4 of the Secretary of State's instructions on the Royal Warrant of the 18th March, 1872 [Clause 50, Army Circulars, 1872], to be admitted to the examination for first appointments to the Supply and Transport Sub-Department of the Control Department at a later age than that fixed for civilian candidates, will be required to produce a certificate that they have served two annual trainings with their Militia regiment.

2. The controller will report such extra issues at once to the War Office, stating the date of issue, and the number issued, and in a further communication the date when returned into store.

3. It is to be distinctly understood that no additional issue, beyond the extra blanket referred to in paragraph 1, will be made without the special authority of the Secretary of State.

4. The last two paragraphs of W. O. Circular 873 are hereby cancelled.

3. All clothing and articles of apparel will also be thoroughly examined before they are received into any Army storehouse, and if any matches or other articles are discovered, a report will be made to the War Office by the officer in charge through the usual channel.

4. Strict care will be exercised in the use of oiled rags, oakum, cotton and other waste, which being liable to spontaneous combustion, will on no account be allowed to remain lying about the stores and buildings, but will be collected from time to time and burned.

**REGULATIONS FOR THE ROYAL ENGINEER
DEPARTMENT.****CL. 106.—***Repairs to Hospitals.*

1. The following will be substituted for paragraph 377 of the Revised Army Regulations, Vol. V. :—

377. Requisitions for repairs to regimental and other hospitals will be signed, and sent to the commanding Royal Engineer by the medical officer in charge. The medical officer in charge will be empowered, where there is no local representative of the Royal Engineer Department at the station, or where reference would cause delay which would be detrimental to the patients, to order urgent and necessary repairs to buildings (such as the repair of broken glass, damages to roofs, injuries to gas or water pipes and closets) to be executed at once by the triennial contractor, or his agent, or in the contractor's default or absence by some other local tradesman. In all such cases, however, the medical officer will send a copy of his order simultaneously to the Engineer officer in justification of his proceedings; the expense incurred will be dealt with by the commanding Royal Engineer in the ordinary course, and charged against the vote for works.

Broken Glass.

2. The following will be substituted for paragraph 386 :—

386. Requisitions for replacing broken glass, the repair of which is fairly chargeable to the public, will be made out on the ordinary form of requisition, W. O. Form 1485, or on W. O. Form 1486.

Bills of Quantities.

3. In paragraph 770 the following will be substituted for the sub-section (i) :—

(i.) Bills of quantities will, with the approval of the Secretary of State for War, be lithographed locally, a sufficient number being struck off to furnish each of the candidates with one copy after retaining at least three copies for the use of the Royal Engineer Department. Whenever tenders are invited for special contracts for works or repairs, commanding Royal Engineers will transmit to the Inspector General of Fortifications two copies of the lithographed bills of quantities; one being priced and monied out at the rates of the triennial contract in force at the station.

4. In paragraph 771 the following will be substituted for sub-section (b) :—

(b.) The bills of quantities will be taken out by a surveyor of the Royal Engineer Department, and the Secretary of State for War will be responsible for their accuracy. Whenever tenders are invited for special contracts for works or repairs, commanding Royal Engineers will transmit to the Inspector General of Fortifications two copies of the lithographed bills of quantities; one being priced and monied out at the rates of the triennial contract in force at the station.

Tenders.

6. In paragraph 784, for W. O. Form 1521, read W. O. Form 1531.

Photographic Apparatus.

7. The following will be added to sub-section (h) of paragraph 856 :—

The following particulars will also be noted on the back of each photograph—

The name of the taker of the negative,
The name of the printer of the negative,
The date when taken,
The time of day at which taken,
Duration of exposure,
Size of stop,
Whether the objects were in sunlight or otherwise,
Whose collodion was used.

Limewhiting Stables.

8. The limewhiting of stables will be carried out as laid down in Article 344 of Revised Army Regulations, Vol. V., except in the case of boxes for sick horses, which

ARMY CIRCULARS—continued.

may be whitewashed whenever required, the commanding Royal Engineer being the judge as to the necessity of the service. The work will be performed under the superintendence of the Royal Engineer Department, the lime and brushes being issued on the usual requisition (W. O. Form 1421), and returned into store on completion of the work.

Carriage of Stores.

9. Expenses on account of the carriage of stores are now chargeable against control votes.

Such charges should therefore only in future be included in the same claim as the goods themselves, and come upon the works vote, when the rates for the goods under existing contracts include the cost of delivery at the station.

In cases where, in order to ensure delivery, it may be necessary for the member of the department to pay the carrier, the amount should be recovered from the local paymaster.

G.O. 43.—Medals, Gold Coast.

I. The Queen having been graciously pleased to signify her pleasure that a silver medal be granted to all her Majesty's forces who have been employed on the Gold Coast during the operations against the King of Ashantee,—with a clasp in the case of those who were present at Amoaful and the actions between that place and Coomassie (including the capture of the capital), and of those who, during the five days of those actions were engaged on the north of the Prah in maintaining and protecting the communications of the main army,—officers commanding regiments and corps, and heads of departments at home, will cause nominal lists of officers, non-commissioned officers, and men, who may be entitled to receive such decoration, to be prepared in duplicate, according to the form [not printed in Army List] (Appendix B), and forwarded to the Adjutant General.

II. Staff officers who may be at home, will forward their applications direct to the Adjutant General.

III. The rolls are to be prepared in duplicate, and should include the names of all officers and soldiers belonging to her Majesty's forces who served on the Gold Coast.

GEN. ORDERS—continued.

between the 9th June, 1873, and the 4th February, 1874 (the date of the fall of Coomassie) inclusive:—also the names of officers and soldiers who during that period, or for any portion of that period, were on board ship on the Coast.

G.O. 44.—Recruiting.

The attention of all commanding officers is drawn to Article 528 of the Royal Warrant, dated 27th December, 1870, by which re-enlistments are restricted to the cases of soldiers who have taken their discharge *during* their first period of limited engagement;—and also to paragraph 1 of Clause 37, Army Circular, 1871, prohibiting the re-engagement of soldiers who have taken their discharge after having completed their first term of service.

G.O. 45.—National Rifle Association—Army Prizes.

I. The accompanying memoranda, showing the conditions of competition on the 14th and 15th July, for the Army prizes and Challenge Cup, given by the National Rifle Association to be shot for at the ensuing Wimbledon Meeting, are published for general information.

II. Two competitors are allowed to be furnished by each regiment of Cavalry or battalion of Infantry at home, and by each depôt of those on foreign service,—with a like number for every 600 men of the corps of Royal Engineers, and three from each brigade of Artillery;—and commanding officers will transmit one of the accompanying “Forms of Entry” O, properly filled up, to the Adjutant General, and another to the Secretary to the National Rifle Association, so as to arrive *not later than 4th July next* (after which date no applications will be attended to), holding the men in readiness to proceed to Wimbledon according to arrangements to be made by the Quarter Master General, under charge of officers to be hereafter named for duty with them. The object of these prizes being to encourage good shooting among the *rank and file*, not more than one serjeant of any battalion will be accepted as a competitor.

III. The men are to be fully equipped in every respect; and special care must be taken in selecting men for this honourable duty, that preference is given, not only to those who are good shots, but to such as are also of good character and steady habits, and who will be likely in every respect to do credit to their corps while absent therefrom.

IV. The competition will be with 3-groove long Snider rifles, which, if necessary, can be obtained for the Cavalry and Artillery competitors on application to the Secretary of the Association. As a pull off of less than 6 lbs. will disqualify a competitor, care must be taken that the locks of the Infantry parties are carefully tested before proceeding to Wimbledon.

V. As the National Rifle Association has decided that Volunteers competing for prizes may, at distances beyond 200 yards, fire “in any position,” the same relaxation of the Hythe rules will be allowed to the regular troops competing for the Army Challenge Cup prizes at Wimbledon.

VI. The commanding officer of the battalion which gives the winner in the second stage, will be held by the Field Marshal Commanding in Chief responsible for the safe custody of the “Challenge Cup,” and for its return to the Secretary to the National Rifle Association whenever it may be required.

VII. The names of the winners of prizes will be published in general orders.

VIII. This order is not applicable to men serving with brigade depôts.

By command,

RICHARD AIREY, *Adj. Gen.*

GEN. ORDERS (Appendix)—continued.

APPENDIX A TO G.O. 38.

These revised regulations for the examination for admission to the Royal Military Academy will come into force at the examination of July, 1875.

1. CADETS.

45. Admission to the Royal Military Academy as cadets will be granted to the successful candidates at an open competitive examination. The examinations will be conducted by the Civil Service Commissioners, and will be held twice a-year, usually in December and July.

46. Notice will be given from time to time of the day and place of the examinations, and of the vacancies to be competed for at each examination.

47. The limits of age will be from 16 to 18, the candidates being required to be within those limits on the 1st day of the January next following for the winter examination, and on the 1st of July for the summer examination.

48. Candidates must send to the military secretary about one month before the date fixed for the examination, an application to be examined, accompanied by the papers (a) and (b), described in the foot note.*

49. When a candidate who has once been examined, applies to be examined again, he will only be required to forward a certificate as to his moral character for the interval between the two examinations.

50. The number of trials allowed will not exceed three.

51. The candidates will be required before proceeding to examination to be inspected by a medical board as to their fitness for her Majesty's service.

52. A candidate will be required to satisfy the Civil Service Commissioners in the following subjects:—

- (1.) Mathematics, viz., (a) arithmetic, and the use of common logarithms; (b) algebra, including equations, progressions, permutations and combinations, and the binomial theorem; (c) geometry, up to the standard of the sixth book of Euclid; (d) plane trigonometry, including the solution of triangles.
- (2.) French, German, or some other modern language, the examination being limited to translation from the language and grammatical questions.
- (3.) Writing English correctly and in a good legible hand from dictation, and English composition.
- (4.) The elements of geometrical drawing; including the construction of plane scales and the use of simple mathematical instruments.
- (5.) Geography.

A thorough knowledge of each of the four branches of mathematics will be required.

The commissioners may, however, if they think fit, dispense with this preliminary examination, except as regards mathematics, English composition, and geometrical drawing, in the case of any candidate who has satisfied them on a previous occasion.

53. No marks will be allotted for the above preliminary examination, excepting for mathematics (2,000), for English composition (500), and for geometrical drawing (300).

54. The "further examination" will be proceeded with immediately on the conclusion of the "preliminary examination." Candidates who fail in the preliminary examination will be informed of their failure as soon as possible, and they will then be released from further attendance.

- * (a) An extract from the register of his birth; or, in default, a declaration made by one of his parents or guardians before a magistrate, giving his exact age.
- (b) A certificate of good moral character, signed by a clergyman of the parish in which he has recently resided, or by the tutor or head of the school or college at which he has received his education for at least the two preceding years, or some other satisfactory proof of good moral character.

GEN. ORDERS (Appendix)—continued.

55. The subjects of the further examination and the maximum number of marks obtainable for each subject will be as follows:—

	MARKS
(1.) Mathematics,* viz., further questions and problems on the subjects of the qualifying examination, and the elements of the following subjects: theory of equations; analytical geometry; conic section; solid geometry; differential and integral calculus; statics; and dynamics ...	4,000
<i>N.B.—In all the branches great importance will be attached to accuracy in numerical results.</i>	
(2.) English; English literature, limited to specified authors; and English history, limited to certain fixed periods; the authors and periods being notified beforehand ...	2,000†
‡(3.) Classics, viz. { Latin ...	2,000
{ Greek ...	2,000
(4.) French; the examination to be partly colloquial ...	2,000
(5.) German; the examination to be partly colloquial ...	2,000
(6.) Any one of the following languages at the option of the candidate, viz.; Italian, Russian, Spanish, or Hindustani; the examination to be partly colloquial ...	2,000
§(7.) Experimental sciences, viz., (a) chemistry and heat; or (b) electricity and magnetism ...	2,000
(8.) General and physical geography, and geology ...	2,000
(9.) Drawing, freehand ...	1,000

Of these nine subjects candidates will not be allowed to take up more than four, exclusive of drawing.

56. A certain number will be deducted from the marks gained by a candidate in each subject, except mathematics; and the remainders will be added to the marks gained by the candidate in the preliminary examination in mathematics, English composition, and geometrical drawing. The resulting total will determine the candidate's place in the competitive list; the successful candidates being those who stand first on the list up to the number of vacancies competed for.

OPTIONAL EXAMINATION IN MATHEMATICS.

Syllabus.

Further questions and problems on the subjects of the qualifying examination.

Theory of equations: first principles.

Analytical geometry: problems on straight line and circle.

G.O. 46.—Sub Lieutenants, Instruction of, and Examination for Promotion.

The following will be substituted for paragraphs 28 to 32, section 4, of the "Queen's Regulations and Orders for the Army," which are hereby cancelled.

28. Other sub lieutenants (with the exception of those appointed to regiments serving in India), will be required, in accordance with the provisions of the Royal Warrant of 2nd April, 1874, to go through a course of study at a Military College, in the following subjects:—

- (a) "Queen's Regulations and Orders for the Army," regimental interior economy, accounts and correspondence.
- (b) Military law.
- (c) The elements of tactics.
- (d) Field fortification, and the elements of permanent fortification.
- (e) Military topography, and reconnaissance.
- (f) Riding.
- (g) Drill.

29. At the end of the course they will be required to pass an examination in the above subjects.

30. On the pass-list of the examination prescribed in the foregoing paragraph, sub lieutenants will be placed in one of three classes, according to their proficiency as shown at the examination. They will then be appointed to regiments, and after serving twelve months will be examined by a board of officers in the subjects mentioned in para. 25: on passing this examination they will be promoted to the rank of lieutenant.

31. Under the provisions of Art. 3 of the Royal Warrant of 30th October, 1871, the lieutenants' commissions of such officers as shall have passed in the first class (paras. 28, 29 and 30) will be ante-dated two years; and those of officers who passed in the second class, twelve months. No ante-date will be granted to officers who passed in the third class. Sub lieutenants will be liable to forfeiture of the whole, or portion of the ante-date, for misconduct during their residence at the Military College.

32. Under the provisions of Art. 3 of the Royal Warrant of 30th October, 1871, sub lieutenants will be removed from the service for moral or physical unfitness, or if they fail to pass the examination at the Military College within two years from the date of their commissions as sub lieutenants. They will be allowed to be re-examined once at the expiration of not less than three months from the date of their first examination.

GEN. ORDERS—continued.

provided two years from the date of their commissions as sub lieutenants shall not have expired. No extension of the above period of two years will be granted, excepting in cases of absence from illness, or in cases of officers, through no fault of their own, not being afforded during their first two years of service an opportunity of going through the course of study prescribed in paragraph 28. They will also be removed from the service if they fail to pass the examination laid down in paragraph 25, within three years of the date of their commissions as sub lieutenants.

32A. Under the provisions of Art. 8 of the Royal Warrant of 2nd April, 1874, sub lieutenants appointed to regiments serving in India will not join the Royal Military College, but will proceed to join their depôts or regiments in India, and after serving twelve months, and passing the examination prescribed in para. 25, will join a class of garrison instruction in India for eight months for instruction in the college course (paragraph 28). At the end of the course they will be examined and placed in one of three classes, and receive ante-date accordingly (paragraph 31). This examination must be passed within three years from the date of their commissions as sub lieutenants; if not, they will incur the penalty laid down in para. 32.

G.O. 47.—Gymnasia.

I. The Field Marshal Commanding in Chief observes with regret the very limited extent to which the officers, and at some stations the non-commissioned officers and men also, avail themselves of the gymnasia provided for their benefit and amusement.

II. At all these establishments voluntary practice in gymnastics, fencing, singlestick, &c., is permitted at certain hours, and qualified instructors are supplied, but the returns from many stations shew a very meagre attendance on the part of the non-commissioned officers and men, and scarcely any on the part of the officers.

III. The improvement of his physical powers, and dexterity in the use of the weapon with which he is armed, are objects of the first importance to the soldier, and a proper spirit of emulation should induce the officer to equal, if not surpass, his comrade in the ranks,—and his Royal Highness thinks that if this feeling were encouraged, much good would result.

IV. The attention of general officers and officers commanding regiments is therefore called to this matter, and his Royal Highness hopes that they will encourage the voluntary attendance of the officers, non-commissioned officers and men, at the several gymnasia, by every means in their power.

G.O. 48.—Enrolled Pensioners.

Referring to the general regulations and instructions issued with para. 53 of G. O. 32 of 1873, his Royal Highness the Field Marshal Commanding in Chief, with the concurrence of the Secretary of State for War, is pleased to direct that the enrolled pensioners of all branches of the service shall be trained as Infantry, when called out for training and exercise.

G.O. 49.—Returns.

I. With a view of ensuring uniformity in the preparation of the regimental annual and monthly returns, it is hereby directed that the following classes of men, viz.:—

a. Soldiers promoted to commissions from the ranks;—

b. Men who are summarily dismissed from the service, without being discharged, in consequence of fraudulent enlistments;—
are not to be accounted as “discharged,” but as “transfers given,” in the table of increase and decrease, an explanation of each case being afforded under the head of “explanation of recruits, re-enlistments, transfers, &c. during the past month.”

G.O. 50.—Military Convicts.

I. Referring to paragraph 110 (e), section 17 of the “Queen’s Regulations and Orders for the Army,” all military convicts arriving from abroad under sentence of penal servitude are to be sent to Pentonville Prison instead of to Millbank.

II. This order does not refer to the cases of men who are sentenced to undergo lengthened terms of imprisonment (not penal servitude) who are to be sent to Millbank as provided for in (d) of the paragraph above quoted.

GEN. ORDERS—continued.

G.O. 51.—Recruiting.

Until further orders, enlistments for the three regiments of Foot Guards may be made for long or short service indiscriminately, without reference to any fixed proportion.

This order cancels that portion of G. O. 34 of 1874, relating to enlistments for household troops (*Infantry*).

G.O. 52.—Promotions of Non-Commissioned Officers, &c.

The following rules will be observed in filling up vacancies amongst non-commissioned officers, and trumpeters or drummers serving at depôts at home :

I. The officer commanding a brigade depôt, or a regiment to which a depôt is attached, or the Cavalry depôt at Canterbury, as the case may be, is authorized to appoint lance serjeants, lance corporals, and trumpeters, buglers or drummers, for duty at the depôt; but will make no promotions to the rank of corporal, or any higher grade, without previously obtaining the concurrence of the officer commanding the regiment or battalion to which the men belong, except when the corps is serving abroad, in which case promotion to the rank of corporal may be made at the depôt without previous reference to the commanding officer.

II. Paragraphs 14 and 28, section 18, of the "Queen's Regulations and Orders for the Army" are hereby cancelled, and attention is drawn to paragraph 69, section 7.

By command,

RICHARD AIREY, *Adj. Gen.*

Officers will be allowed to remain at the school for a further period not exceeding one month, if the requirements of the service permit; but during the extension of their stay, they will not be entitled to the above-mentioned allowances.

Par. 13. Captains who have obtained certificates of proficiency at this school will be allowed to rejoin on the 1st or 15th of a subsequent month for the purpose of obtaining certificates as field officers, but will not be entitled to the above-mentioned allowances.

OFFICERS OF ROYAL ARTILLERY IN COMMAND OF AUXILIARY ARTILLERY.

Cl. 52.

The lieutenant colonels appointed for each Artillery sub-district who, under sub-section d, paragraph 1, of the Regulations issued with G. O. 32 of 1873, are invested with the command of the Auxiliary and Reserve Forces Artillery of the sub-district, will in future be styled:—

“Officers commanding Auxiliary Artillery, sub-district.”

MILITIA.

Cl. 53.—Dress of Officers.

1. Chacos will be worn by officers belonging to Militia battalions, the men of which wear Glengarry caps, whenever their battalions are brigaded with other troops, the officers of which wear chacos, and also on all parades at which the officers of the Line wear chacos.

2. Sub lieutenants of Militia will wear the same uniform as that worn by the lieutenants of the branch of the Militia service to which they respectively belong, except that the badge of rank will be a star on the collar of the tunic.

Cl. 54.—First Appointments to the Supply and Transport Sub-Department.

Clause 97, Army Circulars, 1874, relative to the admission of subalterns of Militia to the examination for first appointments to the Supply and Transport Sub-Department of the Control Department, is printed in page 31 of the Appendix for the information of those concerned.

Cl. 55.—Augmentation of Militia Regiments.

(Issued as a Special Auxiliary and Reserve Forces Circular, on 13th May, 1874.)

8. There will be one adjutant to each regiment, who will perform all the duties of the orderly room and interior economy in both battalions; and also the duties of the annual training when the battalions train in succession, but when the training of both is simultaneous, an officer from the brigade dépôt will be directed to perform the duties of adjutant to one of the battalions.

Cl. 56.—Appointments, &c. to the Permanent Staff.

1. When a vacancy occurs on the permanent staff of a Militia battalion, the commanding officer will notify the same to the officer commanding the brigade depôt, or to the lieutenant colonel of the Artillery sub-district, as the case may be. In the case of Infantry, the officer commanding the brigade depôt, if unable to recommend a serjeant, drummer, or bugler, as required, for transfer from the regular forces for duty with the Militia, will make application to the officer commanding the home Line battalion. In the case of Artillery, the lieutenant colonel of the Artillery sub-district will forward the application through the general officer commanding the district to the adjutant general.

2. In the Infantry, in the event of there being no man available belonging to the brigade, the officer commanding the Militia battalion, in conjunction with the officer commanding the brigade depôt, will take the necessary steps for obtaining a man belonging to some other brigade, provided always that the staff of the Militia battalions of such brigade is complete. A man transferred to the permanent staff of a Militia battalion which does not form part of his brigade, will be attached to the brigade depôt of the sub-district to which the Militia battalion belongs.

3. It will be necessary, before the transfer to the permanent staff of the Militia of serjeants or others belonging to the Regular Army, can be carried out, for the lieutenant colonel of the sub-district to which the Militia regiment belongs to submit each case to the adjutant general for sanction—accompanied by a descriptive return (W. O. Form

AUXILIARY, &c. CIRCULARS—continued.

329) and record of service—after having communicated with the officer commanding the Militia battalion as to the man's qualifications.

4. Serjeants and others of the regiments of Foot Guards, or of other corps which have no local connection with a sub-district, may be transferred for duty with any Militia battalion. Serjeants and others of the 60th Rifles and Rifle Brigade will generally be transferred to the Militia regiments belonging to brigades Nos. 51 to 54.

5. Staff and colour serjeants, and battery serjeant majors, will be transferred to the Militia as serjeants.

6. Serjeants of the Regular Army who are recommended to be transferred to the Militia must be of good character, and capable of giving efficient instruction in the details of drill. Lieutenant colonels of sub-districts and officers commanding battalions of the Line and brigades of Royal Artillery, will be responsible that the serjeants recommended by them for such employment possess those qualifications. Serjeants, therefore, before being transferred to the Militia, will be examined by the commanding officer of their battalion or corps, not only as to their knowledge of drill, but also as to their capacity for imparting instruction and correcting mistakes in drill. Special care will be taken in examining men who have been recently employed in the orderly room, or on other staff duties. It will be certified on the descriptive returns of all these serjeants that they have been so examined, and commanding officers will also express their opinion in writing as to the fitness of such men in every respect.

7. Serjeants and others transferred to the Militia, although returned on the strength of the Army, as transferred for duty with the Militia, will nevertheless be included in the Militia return (W. O. Form 193) as on the Militia staff. They will be borne on the roll of their respective regiments as supernumeraries, until discharged from the Army, or ordered to rejoin their regiments and absorbed into vacancies.

8. Serjeants and others transferred to the Militia, will not be sent back to the Army without the special sanction of the Field Marshal Commanding in Chief; and they will under ordinary circumstances only be liable to be sent back for misconduct or inefficiency. Whenever the commanding officer of a Militia battalion wishes to dispense with the services of any such man, he will apply through the lieutenant colonel of the sub-district for leave to do so, stating his reasons for the application, and reporting at the same time any offence of which the man may have been guilty. Should he have committed a breach of discipline, he will be placed under arrest, and a distinct charge, with summary of evidence, forwarded for decision.

9. Serjeants and others transferred to the Militia will wear the uniform of the Militia battalions to which they are transferred, except in the case of serjeants and trumpeters of the Royal Artillery, who will wear the Royal Artillery uniform.

10. It is not ordinarily desirable to transfer men of less than 15 years' service to the Militia. But exceptions may be made when the head quarters of a Militia battalion are at the brigade depot, when serjeants are to be retained at the brigade depot during the non-training season, and in the case of a qualified serjeant who is unfit for foreign service.

11. Under the provisions of section 10 of "The Army Enlistment Act, 1870" (33 & 34 Vict. cap. 67), serjeants and others of the Regular Army transferred to the permanent staff of the Militia, will be permitted to continue to serve with the Militia, under their Army engagement, after they shall have completed 21 years' service. On final discharge they will receive any increased pension to which they may be entitled by Royal Warrant.

12. When the services of serjeants of the Regular Army cannot be obtained, men who have been discharged from the Regular Army in the rank of serjeant may be enrolled for a term of 5 years, but the sanction of the Secretary of State for War will be obtained in each case before the enrolment takes place. The application to the War Office will be accompanied by the discharge certificate, and testimonials both as to character and qualifications.

13. Serjeants and others of the Regular Army who are now completing their service for pension on the permanent staff of the Militia, may be enrolled for the staff on being discharged from the Army, under the authority of the general officer commanding the district, if recommended by the officer commanding the Militia regiment and the lieutenant colonel of the sub-district.

14. Other members of the present permanent staff, when qualified for the effective discharge of the duties henceforth expected from them, may be permitted to re-enrol at the expiration of their present period of service, if recommended by the officer commanding the Militia regiment and the lieutenant colonel of the sub-district, subject to the approval in each particular case of the Secretary of State for War.

15. Those men only who have been discharged from the Army will be attested for

AUXILIARY, &c. CIRCULARS—continued.

Militia service, and take the oath prescribed by the act 36 & 37 Vict. cap. 68, s. 2, on appointment to the permanent staff.

16. When such men are enrolled or re-enrolled for the permanent staff of the Militia, they will be required to express their willingness to perform such military duties within the sub-district as may be directed by the lieutenant colonels of the sub-districts to which they may respectively belong, and such engagement will be recorded on the attestation paper. Under no circumstances will they be allowed to engage in any civil occupation.

17. The following extracts from the General Regulations and Instructions, which were published with Clause 23, Auxiliary and Reserve Forces Circulars, 1873, are here reprinted for the information and guidance of the officers concerned in regard to the employment, duties, &c. of the non-commissioned officers of the permanent staff of the Militia. It is to be understood that these instructions do not give permission to incur expense without proper authority being first obtained:—

- a. (Para. 21.) The permanent staff of the Militia battalions will be considered as belonging to the Militia establishment, and their duties connected with the Militia are to have precedence over other duties.
- b. (Para. 20.) The officer commanding the brigade dépôt will direct, as he may think fit, the employment of the officers and non-commissioned officers of the brigade dépôt, as well as the adjutants and sergeants of the permanent staff of the Militia battalions and of the Volunteer corps of the sub-district.
- c. (Para. 26.) Should the officer commanding the brigade dépôt desire to employ, during non-training periods, the adjutant or sergeants of a Militia battalion detached from the dépôt, on business unconnected with their battalion, the officer commanding the brigade dépôt will request the officer commanding the Militia battalion to issue the necessary instructions.
- d. (Para. 25.) Should the commanding officer of a Militia battalion during the non-training period require the services away from the brigade dépôt of the adjutant, or any sergeants of the permanent staff, he will request the officer commanding the brigade dépôt, if he sees no objection to give the necessary instructions.
- e. (Para. 23.) The commanding officer of a Militia battalion will have entire command over the staff of the battalion during the training period; and the staff should at all times look to him and to the officers of the battalion as their immediate superiors.
- f. (Para. 24.) The commanding officer of a Militia battalion should also, during the non-training period, feel that the command over the permanent staff of his battalion is not taken out of his hands. The adjutant will report on all business affecting the battalion to the Militia commanding officer, as well as to the officer commanding the brigade dépôt, and will generally conduct the business of the battalion under the orders of its commanding officer.

18. The pay of sergeants and others of the Regular Army transferred to the Militia to complete their term of service, is regulated by the following Articles of her Majesty's Warrant of 14th July, 1874.

[696.] Non-commissioned officers and others transferred to the permanent staff of the disembodied Militia, shall receive [in addition to a free ration, or the allowance in lieu thereof] the following daily rates of pay from the 1st October, 1873 (or from the date of their transfer if subsequent to 1st October, 1873) to the date of completion of their Army service, unless previously discharged or ordered to rejoin their regiments:—

AUXILIARY, &c. CIRCULARS—continued.

19. The adjutant will receive from the paymaster of the regiment from which the men are transferred a certificate showing:—

- a. The date to which pay has been issued by him.
- b. Whether the men are in receipt of re-engaged pay.
- c. Whether they are borne on the married roll of their regiments.

This certificate should be annexed as a voucher to the Militia accounts in which the first charge for the man's pay at the foregoing rates is made.

20. A serjeant of the Regular Army transferred to the Militia will, if appointed to act as serjeant instructor of musketry, receive 1s. a day extra-duty pay during the training period, and for twelve days annually whilst employed in instructing the permanent staff.

21. If appointed to act as instructor of gunnery he will receive the above extra-duty pay during the training period, and for a period not exceeding three months annually whilst employed in instructing the permanent staff.

22. If appointed to act as paymaster serjeant, he will receive during preliminary drill and training and the period for making up accounts, extra duty-pay at 6d. a day.

23. If appointed to act temporarily as serjeant major or quartermaster serjeant during a vacancy, application may be made for special authority to issue extra-duty pay at 6d. a day.

24. Serjeants transferred to the Militia will not ordinarily be entitled to extra-duty pay for drilling other Militia regiments than their own. But under exceptional circumstances applications for some special allowance on this account will be taken into consideration.

25. Serjeants and others transferred to the Militia will be entitled to the following allowances:—

- a. To a free ration in kind, when not in receipt of any other allowances instead of rations, or to an allowance of 6d. a day in lieu thereof. They may, however, choose whether they will receive the ration in kind, at stations where it can be supplied, or the money allowance in lieu thereof, on the understanding that they adhere to their choice, unless a change should be specially sanctioned by the Surveyor General of the Ordnance.
- b. To a hot meal, under the usual conditions, while on the march; but under no circumstances to beer money.
- c. To the sum of 2d. a day for each day absent on ordinary or sick furlough.
- d. To the same separation allowance for their wives and families when the men are absent from their homes on military duty, as is granted to the wives and families of men serving in the Regular Army; subject to the usual condition that no extra-duty pay is drawn for the duty which causes the separation. They may, however, choose whether they will receive the extra-duty pay or the allowance for their families, on the understanding that they adhere to their choice, unless a change should be specially sanctioned by the Surveyor General of the Ordnance.
- e. To a lodging allowance, when not provided with quarters, of 6d. a day if on the married roll, so long as they are completing Army Service; or of 4d. a day if not on the married roll, or after completion of Army Service.
- f. To commuted fuel and light allowance when in barracks or government buildings where issues in kind are not made, viz. :—

For each non-commissioned officer or man, over 12, accommo- dated as above ...	1d.
For any one non-commissioned officer or man compelled by the requirements of the Service to occupy a whole room ...	3d.
The rates will be the same both for married and single men.	

- g. To a lodging allowance of 4d. a day when employed on duty away from their homes and not provided with a billet at the place of employment. They will at the same time be allowed to retain their quarters, or continue in receipt of lodging allowance in lieu at their head quarters, provided they are certified to have necessarily retained their lodgings.

26. Serjeants and others of the permanent staff of the Militia, who have been dis-

AUXILIARY, &c. CIRCULARS—continued.

charged from the Army, will receive the daily rate of pay prescribed by the Militia Regulations, but will not receive free rations. Those who have engaged to perform all military duties required of them within the sub-district, in accordance with paragraph 16, will be granted for such days as they may be so employed, beer money at 1d. a day, together with the usual ration of provisions, where a contract exists for their supply, subject to a stoppage of 4d. a ration; they will also be entitled, when absent on duty from the permanent station of their battalions, to the allowances and privileges granted by paragraph 25, d and g, subject to the conditions therein laid down. Those who have not engaged to perform general military duties within the sub-district, will not be employed upon duties other than those connected with their Militia regiments, except with their own consent; when so employed they will be granted the same allowances as men who have engaged to perform all the military duties required of them within the sub-district. Charges made under this paragraph should be vouched by certificates showing the several dates of employment and the nature of the duties on which the men are employed.

27. The bounty of 15s. hitherto allowed under Art. 23 of the Militia Regulations, 1854, to the members of the permanent staff of the Militia on enrolment, will no longer be granted.

28. Clauses 58 and 65, Auxiliary and Reserve Forces Circulars, 1873, are hereby cancelled. The scale of pay attached to the Circular of 18th January, 1865, will no longer be recognized.

Cl. 57.—Establishment of the Permanent Staff.

(Issued as a Special Auxiliary and Reserve Forces Circular, on 31st May, 1874.)

In pursuance of the arrangements in connection with the localization of the Land Forces, the following will in future be the establishment of the permanent staff of the Militia regiments stationed in sub-districts in which brigade depôts have been formed.

1. The disembodied establishment of permanent staff serjeants will, in the case of regiments of upwards of four companies specified in the annexed list A, consist of:—

4. The appointment of hospital serjeant will not be filled up in any regiment of Militia in which a vacancy may arise. AUXILIARY, &c. CIRCULARS—continued.**Cl. 58.—Establishment of Non-Commissioned Officers.**

(Issued as a Special Auxiliary and Reserve Forces Circular on 11th May, 1874.)

Her Majesty has been graciously pleased to direct that the disembodied establishment of non-commissioned officers for the several regiments of Militia in Great Britain and Ireland shall consist for the future of four sergeants (inclusive of two sergeants of the permanent staff) and four corporals for each battery or company.

Cl. 59.—Clothing.

1. Band sergeants and musicians of Infantry, Light Infantry, Fusilier, Rifle and Highland Regiments of Militia, will for the future be supplied with Glengarry caps of the same pattern and quality as those worn by sergeants of their respective branches of the Service.

2. The caps now in use may be worn the regulated period, but when worn out they will be replaced by those of the pattern prescribed in paragraph 1.

Cl. 60.—Volunteers for the Royal Artillery.

(Issued as a Special Auxiliary and Reserve Forces Circular, on 4th June, 1874.)

1. Gunners being at present required for the Royal Artillery, the Secretary of State will be prepared to grant free releases to any Militia men, in whatever arm they may be serving, who from the 1st May to the 31st December, 1874, with the consent of their commanding officers, volunteer and are attested and approved for the Royal Artillery as gunners.

2. Recruits should be between the ages of 18 and 25.

3. Their height and chest measurement should be as follows:—

Height.		Chest Measurement.
From	To	
5 feet 7 inches.	5 feet 8 inches.	33 inches, full.
5 " 8 "	5 " 10 "	34 "
5 " 10 "	Upwards.	35 "

4. Clause 33, Auxiliary and Reserve Forces Circulars, 1873, is hereby cancelled.

VOLUNTEERS.**Cl. 61.—Appointment of Adjutants.**

1. In the event of an adjutancy becoming vacant, either by death or retirement, the commanding officer of the Administrative regiment or corps of Volunteers in which the vacancy has occurred, if he should have any very special reason for wishing to obtain the services of any particular officer to succeed to the appointment, will make his application through the proper channel to the adjutant general. In the case of a retirement, the application will not be made until the retirement shall have been notified in the London Gazette.

2. The commanding officer will state in his application the exceptional qualification which, in his opinion, renders it desirable that the officer referred to should be appointed in preference to any other candidate who may in other respects be equally eligible.

3. The Secretary of State disapproves of commanding officers of Volunteers communicating direct with commanding or other officers of the Army, with a view to finding suitable candidates. They should clearly understand that the selection of officers for appointment as adjutants does not rest with commanding officers of Volunteers, who should not make any recommendation on the subject, except under the special circumstances above detailed.

AUXILIARY, &c. CIRCULARS—continued.

Cl. 62.—Capitation Allowances, Certificates of Efficiency, and Annual Returns of Efficient and Non-Efficient.*Ordinary Capitation Allowance to Corps.***1. An annual allowance of 11. 10s. is granted to Volunteer corps:—**

- (a) For every combatant officer who has attended the drills prescribed for efficient (not being recruits) of his arm of the Service.
- (b) For every field officer and for every non-combatant officer (not being an honorary officer) who has given a similar number of attendances. Such attendances may, with the sanction of the commanding officer, include drill of any kind (including the inspection), and gun practice or class firing.
- (c) For every trumpeter or bugler borne on the authorized establishment of the corps, who is duly qualified as such, and has attended the drills prescribed for efficient (not being recruits) of his arm of the Service.
- (d) For every efficient Volunteer.

And when not forming part of an Administrative Regiment:—

- (e) For every sergeant instructor on the permanent staff.

*Ordinary Capitation Allowance to Administrative Regiments.***2. A similar allowance is granted to Administrative regiments:—**

- (a) For every officer on the staff (when not also belonging to a corps in the regiment) who has given a proper attendance at united drill; or, in the case of an Administrative brigade of Artillery Volunteers which has not had united drill during the year, who has given proper attention to the duties of his appointment.
- (b) For every sergeant instructor on the permanent staff.

Certificates of Efficiency.

3. A Volunteer, in order to obtain a certificate of efficiency, must fulfil the conditions prescribed in her Majesty's Order in Council, dated the 7th of July, 1874 (given in pages 32 to 41 of the Appendix).

4. The courses of instruction for Engineer Volunteers, referred to in the form of certificate of efficiency for Engineer Volunteer corps prescribed by the scheme annexed to her Majesty's Order in Council, are given at pages 42 and 43 of the Appendix.

5. In order that a Rifle Volunteer may become efficient, so far as target practice is concerned, by firing 20 or 40 rounds only and passing into the 2nd class, a classification will be made after firing the first period, instead of postponing it till after the second, as prescribed in the revised Rifle Exercises and Musketry Instruction, 1874. Any Volunteer who fails to make 36 points in the first period, may repeat his practice in the 3rd class.

6. Commanding officers and adjutants are reminded that only Volunteers to whom certificates of efficiency have been granted, and officers and trumpeters or buglers qualified under paragraph 1 of this clause can be returned in the lists of efficient in the annual return.

7. Although a Mounted Rifle, or Rifle Volunteer wishing to obtain exemption in future from the requirement of ball practice, must, in earning the Volunteer marksman's badge, fire the whole of his 60 rounds under the personal superintendence of the adjutant (or other officer appointed by the Secretary of State to act as such), such badge not carrying the above exemption may be obtained as heretofore, under the superintendence of an officer or sergeant instructor of an administrative regiment or corps.

8. Honorary officers cannot, as such, earn capitation allowances, but they may be enrolled as privates, and be so borne in the annual returns and nominal rolls of their respective corps, and in such case may be returned as efficient, on complying with the requirements of the certificate of efficiency. Should the corps to which the officer belongs be called out for actual service, he would be, in such a case, liable to serve with his corps as a private.

9. If honorary officers be not enrolled also as privates, they will not be included in the enrolled strength of their corps, nor shown in the annual return and nominal roll.

10. Bandmen must qualify for certificates of efficiency, according to the conditions of her Majesty's Order in Council, dated the 7th July, 1874, for members generally. Their attendance, as bandmen, at a brigade or battalion drill, may be counted as attendance amongst the battalion drills required; but it is to be understood that only three bandmen for each company of those companies actually on parade will be allowed to count such attendance.

AUXILIARY, &c. CIRCULARS—continued.

Annual Returns.

11. Particular attention is drawn to paragraph 2 of Clause 83, Auxiliary and Reserve Forces Circulars, 1872, in regard to the enrolment of supernumeraries. Capitation allowances will be refused where supernumerary members, enrolled without authority, are returned as efficient.

12. The summary at the end of the nominal roll should correspond with the abstract of numbers given in the annual return of efficient, non-efficient, and total enrolled.

13. Great inconvenience to the public service is caused by commanding officers failing to render these returns punctually. It is therefore particularly requested that they may be rendered to this office on, or as soon as possible after, the 1st of November of each year. In cases where returns have not been rendered in proper time, the Secretary of State will have to consider the propriety of withholding such capitation grant as the corps may have earned during the year.

14. When the annual return has been checked at the War Office by the nominal roll, the latter will be forwarded to the clerk of lieutenantancy, to be by him retained for the information of the lord lieutenant.

15. Officers of the staff of Administrative regiments who also hold commissions in corps forming part of such regiments, should (except in the case of surgeons or assistant surgeons on the staff holding commissions as honorary assistant surgeons of corps) be included in the annual returns of their corps, and not in those of the staff.

16. The staff returns (W. O. Form 654) should contain the names of all officers of the staff, with the exception of honorary officers, and of those officers above referred to who hold substantive commissions in any of the corps composing the Administrative regiment. The sergeant instructors on the permanent staff should also be included, but the returns should not include any non-commissioned officers of Royal Artillery, Royal Engineers or Militia, employed as temporary drill instructors.

17. Commanding officers are particularly requested, in order to prevent confusion, to return at once to the local control stores all copies of the old forms (W. O. Forms 654, 1600, 1601, 1613, 1631, and 1671) at present in their possession. Adjutants will take care that the annual returns are duly rendered on the revised forms which will be sent from the War Office.

18. The certificate of efficiency for Artillery Volunteers (W. O. Form 1668) should be amended by substituting 20 for 24 (gun drills) in paragraphs 1 and 2 of the first footnote.

19. Paragraphs 1 and 2 of Clause 73, Auxiliary and Reserve Forces Circulars, 1873, and likewise Clause 74 of the same year, are hereby cancelled.

Cl. 63.—Instructors for Volunteers.*Temporary Drill Instructors.*

1. Non-commissioned officers of brigade depôts, and sergeants of the permanent staff of disembodied Militia, may be temporarily detached for duty as drill instructors of Rifle Volunteers in their sub-districts, in lieu of permanent sergeant instructors. Such temporary drill instructors should, as far as possible, be employed in the case of Volunteer corps stationed at the head quarters of a brigade depôt or regiment of Militia. Militia sergeants who have not been attested for general military duties in the sub-district will only be employed with their own consent, as drill instructors of Volunteers.

2. When the services of a sergeant of a brigade depôt or Militia regiment are required, the commanding officer of the Administrative battalion or corps of Rifle Volunteers concerned will apply to the lieutenant colonel of his sub-district, stating the number of instructors authorized by the Secretary of State for his battalion or corps, and the number already employed.

3. The lieutenant colonel of the sub-district will then, if he sees no objection, and if the authorized number of instructors be not thereby exceeded, authorize the man's employment till further orders (having previously, in the case of a Militia sergeant, obtained the consent of his commanding officer) and will notify the same to the War Office.

4. Non-commissioned officers of Royal Engineers, employed as drill instructors for Engineer Volunteer corps, are entitled to extra-duty pay in accordance with the following Article of her Majesty's Warrant of 14th July, 1874.

647. § 5. Non-commissioned officers of Royal Engineers employed as drill in-

structors for Engineer Volunteer corps, shall receive extra-duty pay at the following rates in addition to their regimental pay :

Drill instructors of Engineer Volunteers	2	0
If the drill instructor be appointed serjeant major of the Volunteer corps or Administrative regiment, in addition	0	6

5. The regimental, as well as the extra-duty pay of these men will appear in the Volunteer accounts, and the first charge will therefore be vouched in all cases by the usual "No. 1 Report." In the same manner the regimental pay of non-commissioned officers of Royal Artillery will be charged in the Volunteer accounts, and the first charge vouched by a "No. 1 Report."

6. In future no extra-duty pay (except as provided in paragraphs 7, 8, and 9) will be granted to non-commissioned officers either of the Regular Forces or Militia employed as drill instructors to Light Horse, Artillery, Mounted Rifle, or Rifle Volunteers; but they will be granted separation allowances when entitled thereto under Army Regulations, and will be allowed the usual travelling expenses on joining and returning.

7. Non-commissioned officers of Royal Artillery and of Militia, actually employed under authority at the date of this Circular as temporary drill instructors of Volunteers, will be allowed to retain the extra-duty pay of which they have hitherto been in receipt as long as they continue to perform their present duties, but will not during such period draw separation allowances.

8. Non-commissioned officers of the Regular Army who are performing the duties of their own corps during the day will, if employed in drilling Volunteer corps in the evening, be granted extra-duty pay at 2d. for each hour they are so employed, provided the amount does not exceed 1s. on any one evening.

9. The authority for the employment of a Militia serjeant will not ordinarily extend to any period of preliminary drill or training of his regiment; but if during such period a Militia serjeant should, with his commanding officer's consent, be specially allowed, after discharging his duties with his regiment throughout the day, to drill the Volunteer corps with which he has been employed during the evening, he will for each such evening receive extra-duty pay at 2d. an hour, provided the amount does not exceed 1s. on any one evening.

10. The charges authorized by paragraphs 8 and 9 will be vouched as follows:—

- a. By a certificate from the officer commanding the Volunteer corps, or the adjutant, showing the hours to and from which the non-commissioned officers are actually employed on each evening.
- b. By the receipt of the non-commissioned officer.

Serjeant Instructors.

11. When a vacancy for a serjeant instructor occurs in an Administrative regiment or corps of Volunteers, the officer commanding will notify the same to the lieutenant colonel of the sub-district; and if it be desirable that the vacancy be filled by transferring to the regiment or corps a non-commissioned officer of the Regular Army, the lieutenant colonel of the sub-district will take the necessary steps for obtaining the services of a non-commissioned officer of not less than 18 years' service, and will, after communicating with the officer commanding the regiment as to the man's qualifications as a drill instructor, submit the transfer, through the general officer commanding, to the adjutant general for sanction before it is carried out. The following documents will accompany the recommendation:—

a. Record of service:

b. Descriptive return (W. O. Form 329) containing a certificate as to the man's qualification for a drill instructor.

12. Staff or colour serjeants and battery or troop serjeant majors will be transferred to the Volunteer force as serjeants.

13. Under the provisions of section 10 of the Army Enlistment Act (33 & 34 Vict. c. 67), non-commissioned officers of the Regular Army transferred to Administrative regiments or corps of Volunteers as serjeant instructors, will be permitted to continue to serve with the Administrative regiment or corps under their Army engagement, after they shall have completed 21 years' service. On final discharge, they will receive any increased pension to which they may be entitled by Royal Warrant.

AUXILIARY, &c. CIRCULARS—continued.

14. The pay and allowances of non-commissioned officers transferred to Volunteer corps are regulated by the following Articles of her Majesty's Warrant of 14th July, 1874.

698. Non-commissioned officers transferred to Administrative regiments or corps of Volunteers as serjeant instructors, shall receive pay at the rates fixed for serjeants of garrison Artillery in the case of men serving with Artillery Volunteers, at those fixed for serjeants of Cavalry of the Line in the case of men serving with Light Horse and Mounted Rifle Volunteers, and at those for Infantry of the Line in the case of Rifle Volunteers. Such pay shall be issued from the 1st October, 1873 (or from date of their transfer, if subsequent to 1st October, 1873) to the date on which pension shall be awarded to them on completion of their Army service, unless previously discharged or ordered to rejoin their regiments.

698a. Non-commissioned officers and others in receipt of re-engaged pay when transferred to serve with the Auxiliary Forces, shall receive 1d. a day in addition to the rates of pay above laid down.

15. The adjutant will receive from the paymaster of the regiment from which the men are transferred a certificate showing—

- a. The date to which pay has been issued by him.
- b. Whether the men are in receipt of re-engaged pay.
- c. Whether they are borne on the married roll of their regiments.

This certificate should be annexed as a voucher to the Volunteer accounts, in which the first charge for the men's pay at the foregoing rates is made.

16. Non-commissioned officers transferred to Volunteer corps, who are in possession of certificates of qualification as serjeant instructors in gunnery or musketry, will receive 2d. a day in addition to the rate of pay laid down in the preceding paragraph. Non-commissioned officers appointed serjeant majors in the Administrative regiment or corps, will receive 6d. a day additional pay. Special authority should be obtained before any issue of these additional rates is made.

17. A clothing allowance of 2d. a day will be allowed for each non-commissioned officer transferred to Light Horse, Mounted Rifle, or Rifle Volunteer corps. If the clothing is provided by the officer commanding the regiment, the allowance will be issued to the corps; if not, the money will be paid to the man himself, and may be charged in the Volunteer accounts, vouched by a certificate from the officer commanding that the man is not provided with clothing by the corps, and by the man's receipt. In the case of non-commissioned officers of Royal Artillery, no allowance will be granted, as the men will wear the Royal Artillery uniform.

18. Non-commissioned officers transferred to the Volunteer Force will be entitled to the allowances granted by paragraph 25 of Clause 56 of this Circular, under the regulations therein laid down for non-commissioned officers transferred to the Militia.

19. The last sentence of paragraph 6 and paragraphs 10, 13 and 14, Clause 44, Auxiliary and Reserve Forces Circulars, 1872, are hereby cancelled, also paragraph 11 of the same clause, subject to the reservation made in paragraph 7 of this clause as regards Militia serjeants now employed with authority. Paragraphs 1 and 2 of Article 229, Volunteer Regulations, 1863, are also cancelled, except as regards those non-commissioned officers referred to in paragraph 7, who are now employed, with respect to whom the paragraphs in question will remain in force.

Cl. 64.—Dress of Officers.

1. Officers of Rifle Volunteers clothed in scarlet or grey, as well as those clothed in green, will, in accordance with paragraph 19, Clause 38, Auxiliary and Reserve Forces Circulars, 1874, wear the pattern of cord and braid on the sleeve of Rifle regiments of the Regular Forces.

2. Officers clothed in scarlet will wear silver cord and braid; officers clothed in grey, cord and braid of silver, or other material, as may have been authorized; and officers clothed in green will wear black cord and braid with light green edging.

3. When the form of cord or braid differs from the above-mentioned pattern, officers will not be required to have their present uniforms altered; but such of them as are clothed in green will be required, in accordance with sub-section (c) of paragraph 5 of the above-mentioned clause, to adopt the light green edging by the 1st April, 1876.

4. Officers of Volunteers will wear gold in the badges of rank on the collar where silver is worn by officers of the Regular Forces.

AUXILIARY, &c. CIRCULARS—continued.

5. When officers commanding Administrative regiments or corps (not forming part of Administrative regiments) of Volunteers, for which no undress for officers has already been authorized, wish to obtain permission to adopt an undress uniform, the following will be authorized:—

- a. For officers of Light Horse, Artillery, and Engineer Volunteers, and of Mounted Rifle and Rifle Volunteers clothed in scarlet, a blue forage cap with silver band and button (in the case of Artillery the band to have a scarlet edging) and blue patrol jackets of the pattern worn by the corresponding arm of the Regular Forces.* Captains and subalterns will wear on the sleeve an Austrian knot of black braid, with an edging, in the case of Artillery, of scarlet; in that of Engineers, of white; and in that of other Volunteers, of the colour of the facings. Field officers will have a similar edging round the braid on their sleeves, and will wear trousers of the same pattern as those worn with full dress.
- b. Officers of corps clothed in green will wear a green forage cap, having a black braid band with light green edging, and light green button, and a green patrol jacket, of the pattern specified above, the black braid on the sleeve being edged with light green.
- c. Officers of corps clothed in grey will wear a grey forage cap, with band and button of silver, black, grey, or the colour of the facings and patrol jackets of the pattern specified above. The braid on the sleeve will be of black or grey, with an edging of the colour of the facings.

Cl. 65.—Serjeant Instructors—Clothing.

1. Serjeant instructors of Volunteer corps will wear three chevrons on each arm, above the elbow, surmounted by a crown.
2. In the Artillery Volunteers, the crossed guns will only be worn by those non-commissioned officers who hold certificates from the School of Gunnery at Shoeburyness.
3. In the Rifle Volunteers, the crossed muskets will only be worn by those non-commissioned officers who hold certificates from the School of Musketry at Hythe.

YEOMANRY.**Cl. 66.—Permanent Staff of Yeomanry Cavalry Regiments.**

1. Vacancies amongst the serjeants of the permanent staff of Yeomanry regiments will in future, whenever possible, be filled by the appointment of non-commissioned officers from regiments of Regular Cavalry.

2. When a vacancy occurs on the permanent staff of a regiment of Yeomanry Cavalry the commanding officer will notify the same to the lieutenant colonel of the Cavalry district to which such regiment belongs, who will take the necessary steps for obtaining the services of a non-commissioned officer of the Regular Cavalry to fill such vacancy, and after communicating with the officer commanding the Cavalry regiment as to the man's qualifications, will submit the case to the adjutant general for sanction before the transfer is carried out.

3. Non-commissioned officers who are recommended to be transferred to the Yeomanry, must be of good character and capable of giving efficient instruction in drill; and officers commanding regiments of Regular Cavalry will be held responsible that those recommended by them possess these qualifications. Non-commissioned officers, therefore, before being recommended for transfer to the Yeomanry, will be examined by the commanding officers of their regiments as to their knowledge of drill, as well as their capacity for imparting instruction and correcting mistakes in drill; and it will be certified on their descriptive returns that they have been so examined. Commanding officers will also express their opinion in writing as to the fitness of such men, in every respect, for the appointments in question. If the non-commissioned officers recommended have been recently employed in the orderly room or on other staff duties, particular care will be taken to ascertain their knowledge of drill.

4. Staff serjeants and troop serjeant majors will be transferred to the Yeomanry as serjeants.

5. Non-commissioned officers of Regular Cavalry transferred for duty with the Yeomanry, will be borne as supernumerary in the Army, and the particular regiment to which they belong will be shown opposite their names in the Yeomanry returns.

* The pattern for Cavalry is now under consideration.

AUXILIARY, &c. CIRCULARS—continued.

6. These non-commissioned officers will not be removed from the Yeomanry and sent back to the Army without the special sanction of the Field Marshal Commanding in Chief; and they will, under ordinary circumstances, only be liable to be sent back for misconduct or inefficiency. Whenever the commanding officer of a Yeomanry regiment wishes to dispense with the services of any such non-commissioned officer he will apply through the lieutenant colonel of the Cavalry district for leave to do so, stating his reasons for the application, and reporting at the same time any offence of which the non-commissioned officer may have been guilty. Should he have committed a breach of discipline he will be placed under arrest, and a distinct charge, with summary of evidence, forwarded for decision.

7. It is to be understood that serjeants of the permanent staff of Yeomanry regiments will be available for any Cavalry duties which the lieutenant colonel of the district may require of them. They will, however, be essentially Yeomanry serjeants, and their Yeomanry duties will have precedence over other duties. They will not be removed from the head quarters of their Yeomanry regiments, on duties unconnected therewith, by the lieutenant colonel of the Cavalry district, without communicating with the officer commanding the Yeomanry regiment.

8. Non-commissioned officers whose transfer for duty with the permanent staff of the Yeomanry has been finally approved, will wear the uniform of the Yeomanry regiment to which they are attached.

9. It is not desirable to transfer non-commissioned officers of less than fifteen years' service to Yeomanry regiments, excepting in the case of a qualified non-commissioned officer who is unfit for foreign service.

10. Non-commissioned officers of the Regular Army transferred to the Yeomanry Cavalry will be permitted to continue to serve with the Yeomanry under their Army engagement, as laid down in Section 10 of the Army Enlistment Act (33 & 34 Vict. cap. 67), after completing twenty-one years' service. On final discharge they will receive any increased pension to which they may be entitled by the Royal Warrant.

11. When the services of Cavalry soldiers cannot be obtained, men who have been discharged from the Regular Cavalry, and have served not less than three years in the rank of serjeant or corporal, may be appointed for five years, but the sanction of the Secretary of State for War will be obtained in each case before the appointment is made. These men must be recommended by the officers commanding the regiments to which they formerly belonged.

12. When practicable, all non-commissioned officers of the Regular Army and discharged soldiers whom it is proposed to employ on the permanent staff of Yeomanry regiments will, prior to appointment, be specially examined as to their fitness and capabilities by the lieutenant colonel of the Cavalry district; but when such examination is not practicable, they will be appointed on probation, and subject to their being pronounced to be competent drill instructors after the next inspection of their Yeomanry regiments.

13. The pay of non-commissioned officers of the Regular Army transferred to the Yeomanry Cavalry is regulated by the following Article of Her Majesty's Warrant of 14th July, 1874.

697. Non-commissioned officers transferred to the Yeomanry Cavalry shall, whilst serving in that force, receive pay at the rate of 2s. 3d. a day. If appointed to be serjeant major where no adjutant is allowed by establishment, they may, while holding such rank, receive pay at the rate of 3s. 3d. a day.

698a. Non-commissioned officers and others in receipt of re-engaged pay when transferred to serve with the Auxiliary Forces, shall receive 1d. a day in addition to the rates of pay above laid down.

14. The officer commanding will receive from the paymaster of the regiment from which the men are transferred a certificate showing:—

- a. The date to which pay has been issued by him.
- b. Whether the men are in receipt of re-engaged pay.
- c. Whether they are borne on the married roll of their regiments.

This certificate should be annexed as a voucher to the Yeomanry accounts, in which the first charge for the man's pay at the foregoing rates is made.

15. A non-commissioned officer transferred to the Yeomanry Cavalry will receive a forage allowance of 2s. a day, when appointed as serjeant major where no adjutant is allowed, or when acting as serjeant of a squadron.

16. The total pay and allowances of non-commissioned officers transferred to the Yeomanry Cavalry will be made up to 7s. a day for each day the corps is employed on permanent duty.

AUXILIARY, &c. CIRCULARS—continued.

17. Non-commissioned officers transferred to the Yeomanry Cavalry will be entitled to the allowances granted by para. 25 of Clause 56 of this Circular, under the regulations therein laid down for non-commissioned officers transferred to the Militia.

18. Non-commissioned officers transferred to the Yeomanry who are in possession of certificates of qualification from the School of Musketry, will be granted the sum of 1s. a day for the actual period they are engaged in giving instruction in musketry to Yeomanry regiments, not exceeding altogether three days for each troop yearly, unless the annual course of musketry instruction should take place during the time Yeomanry regiments are assembled for permanent duty, in which case this extra-duty pay will not be granted.

19. Clause 19, Auxiliary and Reserve Forces Circulars, 1873, is hereby cancelled.

TRAINING OF ENROLLED PENSIONERS.**CL. 67.**

General Order 48 of 1874, directing that enrolled pensioners shall be trained as Infantry when called out for training and exercise, is printed in page 44 of the Appendix, for the information of those concerned.

INCOME DUTY.**CL. 68.**

1. When a pensioner, who holds an appointment for which he is paid from Army funds, desires to claim exemption from or rebate of income duty, he should prefer his claim through the paymaster from whom he draws such pay.

2. The paymaster having certified the claim, will pass it on to the staff officer of pensioners from whom the man receives his pension, and such staff officer will send the claim to the Commissioners, with his certificate.

WAR OFFICE FORMS.**CL. 69.**

1. A new Form—W. O. Form 1597—"Form of Discharge for Serjeant Instructors of Volunteers," has been approved.

2. W. O. Form 809, "List of Pensioners recommended to be enrolled for the Army Reserve," has been cancelled.

WAR OFFICE.**CL. 70.—Officers of the Auxiliary Forces.**

The Inspector General of Auxiliary Forces will keep himself disengaged on Tuesday in each week, between the hours of 12 and 5, for the purpose of holding personal interviews with officers of the Auxiliary Forces.

(Reprinted from Clause 97, Army Circulars, 1874.)

APPENDIX TO CLAUSE 62.

ORDER IN COUNCIL.

At the Court at Windsor, the 7th day of July, 1874,

PRESENT:

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the eleventh section of the Volunteer Act, 1863, it is, amongst other things, enacted that, "Her Majesty in council may, from time to time, declare what is requisite to entitle a Volunteer to be deemed an efficient Volunteer, by an order in council defining for that purpose the extent of attendance at drill to be given by the Volunteer, and the course of instruction to be gone through by him, and the degree of proficiency in drill and instruction to be attained by him and his corps, such proficiency to be judged of by the inspecting officer at the annual inspection of the corps, or otherwise, as by order in council is from time to time directed;" and that "the draft of any scheme to be from time to time submitted to Her Majesty in council for approval under the present section, shall have been laid before both houses of parliament for one lunar month at least, either before or after, or partly before and partly after the passing of this act, during the present, or for the like period during any subsequent session of parliament, before such scheme receives the approval of Her Majesty in council."

And whereas it is deemed expedient that the orders in council, bearing date the 27th day of July, 1863, and the 15th day of October, 1872, respectively, declaring what is requisite to entitle a Volunteer to be deemed an efficient Volunteer, be cancelled, and an amended order in council issued in the place thereof.

And whereas an amended draft scheme relative to the efficiency of Volunteers was, on the 20th day of April last, laid before both houses of parliament in the words and figures mentioned and set forth in the schedule to this order annexed; and one lunar month having elapsed since that time, the said scheme hath this day been submitted to Her Majesty in council for her approval thereof.

Now, therefore, Her Majesty, having this day taken the said scheme into consideration, doth in pursuance and exercise of the power in Her Majesty by the said act of parliament in that behalf vested, and by and with the advice of her privy council, hereby cancel the aforesaid orders in council of the 27th day of July, 1863, and 15th October, 1872, respectively, and doth declare her royal approval of the scheme hereunto annexed.

And that the same shall come into operation from the 1st of November last, so that all drills done on and after the said 1st November shall be reckoned in accordance with the provisions of the present order.

ARTHUR HELPS.

AUXILIARY, &c. CIRCULARS (APPENDIX to CL. 62)—continued.

VOLUNTEERS.

SCHEME relative to the Efficiency of Volunteers (in substitution for the Schemes contained in Her Majesty's Orders in Council, dated 27th July, 1863, and 15th October, 1872), referred to in this Order.

1. A Volunteer shall be entitled to be deemed an efficient Volunteer, if he obtains a certificate certifying that he has fulfilled the requirements, and possesses the qualifications, stated in or upon such one of the annexed forms of certificates as may be applicable in his case, and not otherwise.

2. Every such certificate shall be granted as soon as may be after the 31st day of October in every year, and shall bear date the 1st day of November, and shall be evidence of the efficiency of the Volunteer to whom it is granted during the year ending the 31st day of October next following its date.

3. Every Volunteer fulfilling the requirements and possessing the qualifications aforesaid shall be entitled to receive such a certificate of efficiency.

But no Volunteer who is absent from the annual inspection of his corps, unless so absent with the leave of his commanding officer, or through sickness duly certified, shall be entitled to such certificate.

4. In the course of each year ending the 31st day of October, the adjutant of each corps or Administrative regiment, shall select from time to time such Volunteers as, in his opinion, have fulfilled the requirements and possess the qualifications aforesaid and submit their names to the commanding officer of their corps, with a view to their obtaining certificates of efficiency.

5. If the adjutant refuses to recommend any Volunteer for a certificate, and the Volunteer considers himself aggrieved thereby, the Volunteer may appeal to the commanding officer of his corps.

6. If the commanding officer concurs in the adjutant's recommendation or refusal to recommend, he shall either sign the certificate, or else approve the withholding of it, as the case may be; but if he differs from the opinion of the adjutant, he shall refer the matter to the officer appointed by one of Her Majesty's principal Secretaries of State to act in that behalf, whose decision shall be final, and who shall sign the certificate, if he thinks it ought to be granted, instead of it being signed by the commanding officer and adjutant.

In the case of a corps forming part of an Administrative regiment, or attached to another corps of the same arm, any such reference shall be made through the officer commanding such regiment, or such last mentioned corps.

7. In the case of a corps forming part of an Administrative regiment, or attached to another corps of the same arm, the certificate shall be countersigned by the field officer commanding the Administrative regiment or such last mentioned corps, this counter-signature being held to imply merely that the field officer has no knowledge of any reason why the certificate should not be granted.

If the field officer thinks fit to withhold his counter-signature from the certificate of any Volunteer, he shall refer the matter to the officer appointed by one of Her Majesty's principal Secretaries of State to act in that behalf, whose decision shall be final, and who shall countersign the certificate, if he thinks it ought to be granted.

8. Where the situation and circumstances of an Artillery Volunteer corps are such as, in the opinion of one of Her Majesty's principal Secretaries of State, to create serious obstacles to the fulfilment by the Volunteers belonging to that corps of the requirement of attendance at gun practice, the Secretary of State shall have power to dispense with that requirement.

9. Where the situation and circumstances of a Rifle Volunteer corps are such as, in the opinion of one of Her Majesty's principal Secretaries of State, to create serious obstacles to the fulfilment by the Volunteers belonging to the corps of the re-

requirement of attendance at battalion drill such number of times within twelve months as is prescribed upon the annexed forms of certificate, the Secretary of State shall have power to reduce the number of battalion drills, and to increase proportionately the number of company or squad drills requisite to entitle the Volunteers belonging to the corps to certificates of efficiency.

10. If any regiment or corps shall have in any year attended for not less than four clear days at a camp of instruction, not including the days of assembly and return, one of her Majesty's principal Secretaries of State may make such modifications in respect to the qualification for efficiency of the members of such regiments or corps as may appear to him to be desirable to meet the circumstances of the case.

11. Where the situation and circumstances of a corps which is not of sufficient strength to constitute by itself a regiment, brigade, or battalion, are such as, in the opinion of one of her Majesty's principal Secretaries of State, to render it impracticable for the corps to be united with or attached to another corps of the same arm, or where under any other circumstances the services of an adjutant are not available, the Secretary of State shall have power to make from time to time such special provision respecting the granting and signature of certificates of efficiency as he may think fit.

12. Where a corps is by its own default not inspected during the year, or where the officer inspecting a Volunteer corps at the annual inspection in any year reports that the corps is not proficient in drill and instruction to his satisfaction, then, notwithstanding anything hereinbefore provided, one of her Majesty's principal Secretaries of State shall have power to direct the withholding of certificates of efficiency at the end of that year from all Volunteers belonging to the corps.

13. The inspecting officer, at the annual inspection in any year, shall have power to direct the withholding of a certificate for or in respect of any Volunteer, in any case in which he considers it proper to do so, on account of the want of proficiency in drill or instruction of that Volunteer, or on account of his sword, carbine, or rifle, as the case may be, being in bad order and condition.

14. If in any one year a Volunteer is resident during the drill season of his corps at a greater distance than 10 miles from its head quarters, he may (with the written consent of both commanding officers) be attached for drill purposes to another corps. In such case, all his drills for efficiency (including attendance at inspection) must be performed with that corps, but he must wear the uniform of his own corps.

15. In case any alteration in the terms of any of the annexed forms of certificate should from time to time appear expedient, one of her Majesty's principal Secretaries of State may make the same by regulation, so as no alteration be thereby made in the amount of the requirements and qualifications stated in or upon the form, and so as none of the provisions of this order be thereby altered.

16. Terms used in this order, or in or upon the annexed forms of certificate, have the same meanings as they have when used in the Volunteer Act, 1863.

The term "recruit," used upon the annexed forms of certificate, means a Volunteer who has never served for at least six months in her Majesty's Regular Forces, or served and attended training in a regiment of Militia, or who has never been returned as an efficient in an annual return of a Volunteer corps.
